Maintenance Agreement

- Owner: _____
- Address: _____
- Phone: _____
- Email: _____

Furnace: _____ Model: _____

Serial: _____ Filter: _____

A/C: _____ Model: _____

Serial: _____

This maintenance agreement includes the servicing of said equipment listed above twice yearly. Inspections for the air conditioning system will be done in the spring, and furnace inspections in the fall. A replacement filter will be provided upon each visit.

Spring Maintenance:

- Filter replacement
- Blower wheel inspection
- Condensate drain cleaning
- Condenser cleaning
- Examination of electrical connections

Fall Maintenance:

- Filter replacement
- Blower wheel inspection
- Condensate drain cleaning
- Flame sensor cleaning
- Examination of all safety switches
(flame roll outs, pressure and limit switches)

Customers enlisted in M.H.C.'s maintenance program receive a 10% discount on all parts when servicing equipment. Payment is to be collected once a year in the amount of **\$179.00** (price per complete system). Once payment is received, the customer will be notified of a date and time for the service to be performed. This agreement will expire exactly one year from the starting date listed below.
